dition and strictly according to the terms of receipts to prevent Manager Waldman from graveling Nelson street and Greenmount

By same—Granting John Haskell per- Dr. Seys, Dr. Caspar, Will Hamilton, Dr. lease, and they have reserved the right at settled by Mr. Teegarden's giving a bond of all times to apply to this court and have the settled by Mr. Teegarden's giving a bond of mission to move house as above petitioned. Bryant, D. P. Jefferies, and By same-Resolution setting aside \$75

Thomas Devitt have filed a petition in the court for common pleas asking the court to and the risk of the public in order to benefit to the injury of the lessor, and the injury of the lessor of the injury of the injury of the lessor of the injury of the lessor of the injury of the lessor o eil so to proceed. Adopted

> for the John H. Thomas cottage hospital, railroad company in the matter of right of adopted by the hospital commissioners.
>
> These plans were formally adopted and approximately and any south Market street were present and any council, especially for not at least waiting a council, especially for not at least waiting as These plans were formally adopted and approved by council last night, and the coast is now clear for Mr. Thomas's handsome hutter. The universal sentiment was eventually dependent on the matter. The universal sentiment was eventually dependent on the speak upon is now clear for Mr. Thomas's handsome hutter. The universal sentiment was manitarianism to manifest itself in the convenient and desirable hospital now proposed.
>
> M. The manifest itself in the controad company permission to lay another track across Market street at Jefferson.
>
> Strongly against council's granting the railroad company permission to lay another track across Market street at Jefferson.
>
> Strongly against council's granting the railroad company permission to lay another track across Market street at Jefferson. Mr. Thomas was seen by a reporter this Judge John C. Miller was the first speaker. He said that council could not appreciate Almost a Fatal Wreck on the Pan He "What is the next step now toward the the gravity of the situation without a full oposed hospital?"
>
> and complete inspection of the place. It is a matter of vast importance to the residents of that neighborhood, and council should act justly in the premises. "Well, then it remains for the work to be commenced at once. I am ready with my part as soon as the city is."
>
> commenced at once. I am ready with my part as soon as the city is."
>
> commenced to danger and death daily at this point, he himself having had three narrow escapes without any compart as soon as the city is."
>
> commenced to danger and a miracle that somebody was not killed. Passenger train No. 6, due here at 10:20, had three narrow escapes without any compart as about four hours late. At 2 o'clock it tributory negligence on his part. Originally the P. C. & St. L. company was granted came thundering in at a rapid speed, as "When can bids for work be advertised

headed by J. W. Becker, a bright youngster there may be in excess of that will be the who recently came to this city, and who subject of further adjudication between as Cregar fully completes his specifications. I which the city itself donated. Since that was going at such a rapid speed that it was think this work ought to commence in the time the company has laid track after track "And when completed?" mission to form a newsboys' and bootblacks.
